INTERNATIONAL HOUSE LOBBY EXPANSION

Construction has begun on the expansion of International House Lobby with significant donations from an anonymous volunteer and CSU Housing and Dining Services. These monies cover the expense of the building itself, but will not pay for the kitchen upgrade, furniture and audio-visual equipment. FCIC and the Office of International Programs are working to raise \$100,000 to complete the upgrade. To meet this goal, all FCIC members and volunteers, as well as alumni, will soon receive a letter requesting their assistance in making this expansion one that will meet the needs of the students and community for years to come.
