

INTERNATIONAL NIGHT AT THE LIBRARY

Tuesday, April 12, 7-9pm
Main Library, 201 Peterson

Thursday, April 28, 7-9 pm
Harmony Library, 4616 Shields

Afghanistan

Join Zahra, a high school exchange student from Afghanistan. Constant war in Afghanistan has devastated almost everything. During the war, women face tremendous problems and even now in different parts of the country, they are suffering from the rules of fundamentalists and warlords. Girls' schools are being burned by Taliban and the education system has been adversely impacted by the war.

The INL committee needs someone to MC one of the program nights.

INTERNATIONAL FRIENDS

This semester many of our students and scholars have experienced extreme stress with news from home. Governments overthrown, families politically threatened and natural disasters are on the internet and the news channels. We ask that you be aware of the various situations around the world that may be affecting your international students and reach out to them to let them know that you are there. Thank you for all that you do for the international population at CSU!
