

INTERNATIONAL NIGHT AT THE LIBRARY

Tuesday, June 14, 7-9 pm
Main Library, 201 Peterson

Thursday, June 23, 7-9 pm
Harmony Library, 4616 Shields

Mali and Burkina Faso

With Klaus Lorenz we travel to Timbuktu in Mali and meet the Tuaregs; the nomads of the Sahara desert. In Djenne, one of the oldest towns in Africa, we visit the Mud Mosque. At the Bandiagara Escarpment among cliff-side dwellings, we attend the amazing Dance of the Masks. In Burkina Faso women in colorful dresses sell their wares, we explore magnificent fortress-like houses and compounds beautifully painted with traditional motifs, and a visit to the local witch doctor gives an idea of the medical service available to the people in the area.

INTERNATIONAL FRIENDS

Summer Friends

Some students will stay in Fort Collins for the summer so take advantage of more free time to take trips to the mountains, visit Old Town, or have a backyard picnic. We will have more students than ever this fall to welcome to our country!

Home-stay Families Needed!

Students coming from other countries in August find that spending those first days with an American family is a wonderful way to start their CSU experience. Home-stay hosts offer a bed and breakfast for 3-5 days to students whose housing is not yet available. *Karen, 282-9015.*

CONVERSATIONAL ENGLISH CLASSES

There are no regular classes during the summer. Classes will resume at Aggie Village Center and University Village Center in September. Remember, the **Wednesday** classes will change to **Thursdays**. Have a wonderful summer, attend the BBQ's and practice your English!

FRIDAY AFTERNOON CLUB

International House, 6-7:30pm
1400 West Elizabeth

Nothing says summer more than barbeques, burgers, pot lucks and friends. Please join us every Friday at the International House to celebrate one of our favorite summer events! After several years as Grill Master, Steve will start grilling up burgers (veggie and beef) at 6:00 and they are eaten up quickly, so don't be late! All the fixings will be provided and we ask that you please bring some picnic type food to share. Speaking of dishes, we really are trying to make a concentrated effort to cut back on paper products, so pack a plate and fork and bring all of your friends. We look forward to seeing you at the **Summer Potluck!**

GLOBAL AMBASSADORS

Global Ambassadors completed its fourth year with a record number of presentations and volunteers. Our 65 volunteers, representing 25 countries, gave 110 presentations to a total of 1730 students, parents, teachers and community members! We were featured at two international nights at Bennett and McGraw IB elementary schools. Our final presentation for this year was on May 25 for Asia Day at Boltz Middle School. Thank you to all of our fabulous volunteers. Have a great summer!

SUCCESSFUL SHREDDING EVENT!

Special thanks to all of the outstanding FCIC volunteers who assisted with the **Don't Dread the Shred** document shredding fundraiser. If you missed it, you missed seeing our smiling faces out on College waving and directing donors to the parking lot and the mobile shredder provided by Ann and Eric Pederson of Apex Shredding. We are planning another shredding event this fall so start saving your junk mail and old files now to make our second shredding event another success!

ANNUAL FCIC MEETING REPORT

Congratulations to the newly elected FCIC officers and program chairs for the 2011/2012 year! New faces on the board are Leslie Musetter, Secretary and Kate Wormus, Global Ambassadors. We are still in need of people to chair the Outdoor Activities Program, the Volunteer Coordinator and Webmaster. If you are interested in any of these positions, please let us know at intlctr@lamar.colostate.edu.

BE A CONVERSATION PARTNER FOR THE INTENSIVE ENGLISH PROGRAM (IEP)

Students from all over the world come to the IEP to study English. Most students are preparing for undergraduate or graduate study at CSU. IEP students take classes in grammar, reading, writing, and listening/speaking. All classes have five levels and take place all year long. While IEP students are mainly focusing on improving their academic English skills, they also need opportunities to meet and interact with English speakers from outside the IEP classroom. Having conversation partners join them in their listening/speaking classes give IEP students a chance to meet new people, practice their listening and speaking skills, and make connections with the larger CSU and Fort Collins community.

Volunteers do not need to prepare anything, just come regularly and be prepared to participate. If you are interested, we would love to have you join us as a conversation partner! For more information, please contact Beth Cloven, beth.cloven@colostate.edu or 970-491-7900.
