Republic of The Fiji Islands

Ni sa bula vinaka! Travel to the South Pacific Ocean as Alan and Cathy Hendrickson share their experiences during the time they lived in Fiji. Located northeast of New Zealand, Fiji consists of 322 islands (of which 106 are inhabited) and 522 smaller islets. These islands have been formed through volcanic activity. With an abundance of forest, mineral and fish resources Fiji is one of the most developed economies in the Pacific island realm.

FCIC BUSINESS MEMBERSHIPS

This year, for the first time, Fort Collins International Center has a membership for businesses in the Fort Collins area. This project started last spring with an informal survey of students attending FAC to find out where they go and where they recommend others to go in the area. The result sent a few of us on a modified scavenger hunt to the various businesses. After many long hours of telephone calls and hitting the pavement, we are proud to announce the experiment has been a success and we hope to continue reaching out to the business community for many years to come.

The nine inaugural businesses are: **Science Toy Magic, LLC, Green Ride-Northern Colorado DIA Shuttle, The Cupboard, India's Rice n' Spice, Star of India Restaurant, Thai Pepper Restaurant, The Bean Cycle/Matter Book Store, Shaky Gaga Milk Tea, Tuana Hair Design-A European Salon.**

We are planning to expand our business connections for the next academic year and welcome ideas. If you or anyone you know is interested; call *Lisa Bogdanski* at 970-206-4824 for details.

INTERNATIONAL TEA

Thursday, March 31, 3:30-5pm, Laurel Hall

Come enjoy tea and desserts at the Office of International Programs. Get to know fellow community members, students and CSU faculty/staff. Everyone is welcome, including children. This event is casual so stop in and join us for a cup of tea and a cookie. After all, who doesn't need a mid-afternoon sugar and caffeine boost!
